Subject: SUMMARY OF MEETING WITH YAEC ON MARCH 6, 1979

On March 6, 1979, representatives of YAEC, having requested a meeting, met with NRC Region I staff at King of Prussia, Pennsylvania, to present oral information on their computerized personnel dosimetry record system and to support the withdrawal of an apparent item of noncompliance (50-29/78-19-07) involving an error in computer input information that has been corrected. The meeting attendees are identified in Appendix A.

The licensee representatives requested several determinations involving the record system, and reports to individuals and to NRC.

The NRC representatives stated that these items will be reviewed and the licensees will be informed of the determinations when completed. Specifically, with respect to item 50-29/78-19-07, this item will be withdrawn in the light of the information provided during the meeting.
