Re: Pacific Gas and Electric Company, Stanislaus Nuclear Project, Unit No. 1, NRC Docket No. P-564-A.

Dear Jack:

This is in response to your self-serving letter of April 12. If you really believe that NCPA is in any way behind PG&E in the Stanislaus production, I invite you to take your concern to the Stanislaus Board. Otherwise, I will have to assume that your mischaracterizations and innuendo are simply a further attempt to influence Judge Howe with respect to your motion to have him grant further discovery or expedite the discovery before the NRC.

Yours very truly,

Robert C. McDiarmid
