SNM-1773 for Oconee Nuclear Sta-)
tion Spent Fuel Transportation)
and Storage at McGuire Nculear)
Station))

Docket No. 70-2623

FURTHER INTERROGATORIES

89. State whether spent nuclear fuel is assigned a negative or positive value in dollars with respect to personal property taxes by applicant. State the value per cask load assigned to spent nuclear fuel, in positive or negative value. State the tax rate on personal property at the Oconee Station in South Carolina, and similarly, at the McGuire Station in Mecklenburg County. State whether spent nuclear fuel is considered personal property. Fully explicate whether there is a tax saving to be had for applicant by moving a product with a negative, or less than zero value or salvage value, from one place to the other.

Dated: December 20, 1978.
