Gentlemen:

Subject: Amendment to Facility Export License XR-81

We hereby request that Facility Export License XR-81, issued to Westinghouse Electric Corporation, be amended to incorporate the following statement:

Equipment, tools, components and materials covered by this license may be disposed of or returned to Westinghouse Electric Corporation in the United States or transferred to the site of another reactor exported pursuant to a facility export license issued by the U. S. Nuclear Regulatory Commission to Westinghouse Electric Corporation.

This same statement is presently incorporated in the text of Facility Export License XR-107, and Westinghouse wishes to bring our earlier license into conformance with more recent licenses.

Very truly yours,

WESTINGHOUSE ELECTRIC CORPORATION
Power Systems Projects Division
