Gentlemen:

This is in response to your letter dated January 4, 1979 concerning the relocation of a portion of the protected area barrier and perimeter intrusion detection system pursuant to the provisions of 10 CFR 70.32(e).

We have reviewed the information contained in your letter and determined that the modifications as well as the interim compensatory measures during installation are such as not to reduce the effectiveness of the physical security plan, and are therefore acceptable.

We have determined that the enclosure to your letter dated January 4, 1979 contains information of a type specified in 10 CFR 2.790(d). Accordingly, it is deemed to be commercial or financial information within the meaning of 10 CFR 9.5(a)(4) and shall be subject to disclosure only in accordance with the provisions of 10 CFR 9.12.

Sincerely,

George W. McCorkle
