**MEMORANDUM OF UNDERSTANDING
BETWEEN**

THE ANDREWS COUNTY SHERIFF'S OFFICE AND WASTE CONTROL SPECIALISTS LLC AND INTERIM STORAGE PARTNERS LLC

The purpose of this Memorandum of Understanding is to provide for the cooperation and coordination between the Andrews County Sheriff's Office and Waste Control Specialists LLC (WCS) and Interim Storage Partners LLC (ISP).

WCS operates a fully permitted and licensed hazardous and low level radioactive waste treatment, storage and disposal facility. ISP operates a licensed Consolidated Interim Storage Facility (WCS CISF) for Spent Nuclear Fuel. In the event of an emergency, and the potential need for services, the Andrews County Sheriff's Office will respond to the facility and provide Primary Law Enforcement Services should they be needed at the facility.

Therefore, during the construction, operations and decommissioning of the WCS waste treatment, storage and disposal facilities and the WCS CISF in Andrews County, the following is agreed to:

1. The Andrews County Sheriff's Office will provide support through immediate law enforcement deployment as may be required to address WCS/WCS CISF site protection and enforcement of applicable laws in emergencies at or near the WCS/WCS CISF site. Additionally, the Andrews County Sheriff's Office commits to the deployment of additional staff after verification of need.
2. In the event of an emergency at the facility, the Andrews County Sheriff's Office will coordinate with WCS/ISP under a consolidated emergency response plan to establish law enforcement, investigative, traffic control and evacuation services should they be needed at the facility. When present on-scene, the Andrews County Sheriff's Office will coordinate the local police response as the Primary Emergency Authority for Local Law Enforcement.
3. The Andrews County Sheriff's Office will ensure Sheriff's responders dispatched for support will arrive with necessary equipment and identification for site access and emergency response. All Andrews County Sheriff's Office equipment, property and personnel will remain under the operational control of their respective agency.
4. The Andrews County Sheriff's Office will ensure that responding personnel from the Sheriff's Office would serve as arresting authority and provide take-back services, when needed.
5. The Andrews County Sheriff's Office agrees that if a security situation is critical to classified waste or information it will arrange for additional law enforcement assistance. The response time of additional support will vary.
6. The Andrews County Sheriff's Office agrees that they will provide long-term support beyond the event itself and arrest of individuals detained in the event, as needed.
7. This agreement will be reviewed every five years or when a change in the office holder occurs.
8. See Attachment A of the Integrated Response and Recovery Plan (IRRP) for and addendum to this MOU reflecting additional responsibilities.

MEMORANDUM OF UNDERSTANDING

BETWEEN

THE EUNICE NM POLICE DEPARTMENT AND WASTE CONTROL SPECIALISTS LLC AND INTERIM STORAGE PARTNERS LLC

The purpose of this Memorandum of Understanding is to provide for the cooperation and coordination between the Eunice Police Department and Waste Control Specialists LLC (WCS) and Interim Storage Partners LLC (ISP).

WCS operates a fully permitted and licensed hazardous and low level radioactive waste treatment, storage and disposal facility. ISP operates a licensed Consolidated Interim Storage Facility for Spent Nuclear Fuel. In the event of an emergency, and the potential need for services, the Eunice Police Department will respond to the facility and provide law enforcement services should they be needed at the facility.

Therefore, during the construction, operations and decommissioning of the WCS waste treatment, storage and disposal facilities and WCS CISF in Andrews County, the following is agreed to:

1. The Eunice Police Department will provide support through immediate law enforcement deployment as may be required to address WCS/WCS CISF site protection and enforcement of applicable laws in emergencies at or near the WCS/WCS CISF site. Additionally, the Eunice Police Department commits to the deployment of additional staff after verification of need.
2. In the event of an emergency at the facility, the Eunice Police Department will coordinate with WCS/ISP under a consolidated emergency plan to establish law enforcement, investigative, traffic control and evacuation services should they be needed at the facility. Once present on-scene, the Andrews County Sheriff's Office will coordinate the local police response as the Primary Emergency Authority for Local Law Enforcement.
3. The Eunice Police Department will ensure their responders dispatched for support will arrive with necessary equipment and identification for site access and emergency response. All Eunice Police Department equipment, property and personnel will remain under the operational control of their respective agency.
4. The Eunice Police Department will ensure that responding personnel dispatched by Eunice Police Department would serve as an authority to detain adversaries until Texas law enforcement arrives.
5. The Eunice Police Department agrees that if a security situation is critical to classified waste or information it will arrange for additional law enforcement assistance. The response time of additional support will vary.
6. The Eunice Police Department agrees that they will provide long-term support beyond the event itself and arrest of individuals detained in the event, as needed.
7. This agreement will be reviewed every five years or when a change in the office holder occurs.
8. See Attachment B of the Integrated Response and Recovery Plan (IRRP) for and addendum to this MOU reflecting additional responsibilities.
