

UNITED STATES OF AMERICA
NUCLEAR REGULATORY COMMISSION

In the Matter of

EXELON GENERATION COMPANY, LLC

(Peach Bottom Atomic Power Station, Units 2
and 3)

Docket Nos. 50-277-SLR
50-278-SLR

ORDER

Beyond Nuclear, Inc. requests a ten-day extension of the time for filing a reply to the anticipated answers of the NRC Staff and Exelon to its motion for leave to file a new contention.¹ The NRC Staff also requests a three-day extension of time to file an answer to Beyond Nuclear's motion for leave to file a new contention to coincide with the response time for answers to Beyond Nuclear's motion to reopen.²

Pursuant to my authority under 10 C.F.R. § 2.346(b), I grant Beyond Nuclear's and the NRC Staff's motions and grant Exelon the same extended filing deadline as the NRC Staff. Therefore, the NRC Staff and Exelon must file answers to the motion for leave to file a new contention and motion to reopen by October 3, 2019, and Beyond Nuclear must file any reply to those answers to the motion for leave to file a new contention by October 21, 2019.

¹ See *Beyond Nuclear, Inc.'s Unopposed Motion for Extension of Time to Reply to Exelon's and NRC Staff's Responses to Beyond Nuclear's Motion for Leave to File New Contention* (Sept. 23, 2019); *Beyond Nuclear Motion for Leave to File New Contention Based on Draft Supplement 10 to Generic Environmental Impact Statement for Subsequent License Renewal of Peach Bottom Operating License* (Sept. 3, 2019, as corrected Sept. 5, 2019).

² See *NRC Staff Unopposed Motion for Extension of Time to File NRC Staff Answer to Beyond Nuclear Motion for Leave to File New Contention and Beyond Nuclear Motion to Reopen* (Sept. 24, 2019); *Beyond Nuclear, Inc.'s Motion to Reopen the Record for Purposes of Considering and Admitting a New Contention Based on Draft Supplement 10 to Generic Environmental Impact Statement for Subsequent License Renewal of Peach Bottom Operating License and Request for Consideration of Some Elements of the Motion out of Time* (Sept. 23, 2019). The NRC Staff states that Exelon consents to the motion provided that it is granted the same extended filing deadline.

IT IS SO ORDERED.

For the Commission

NRC Seal
