Mr. Clifford A. Haupt
Project Manager EP-1
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Subject: Carroll County Station Units 1 and 2
Additional Information on Site
Suitability - Environmental Report
NRC Docket Nos. S50-599 and S50-600

Reference (a): April 4, 1979 letter from Richard C.
DeYoung to Cordell Reed

Dear Mr. Haupt:

Attached to Mr. Montet's copy of this letter are the three remaining state and local references requested by the NRC Staff as part of Question 301.38 contained in Enclosure 2 of Reference (a). These three references consisted of the following reports:

- 1) "Report of the Archaeological Site Survey Conducted at the Plum Grove Site, Savanna, Illinois" prepared by M. L. Fowler and M. J. Dudzik.
- 2) "Plum Grove Project Phase II Archaeological Testing" by Elizabeth Benchley and Michael L. Gregg dated February 15, 1975.
- 3) "Final Report of An Archaeological Survey of the Carroll County Station, Carroll County, Illinois" by Harold Fassen, Elizabeth Benchley and William Billeck, dated 1979.

In addition, copies of the Inventory of Historic Structures in Carroll, JoDaviess and Whiteside Counties and the Inventory of Historic Landmarks in Carroll, JoDaviess and Whiteside Counties

Mr. Clifford A. Haupt:

- 2 -

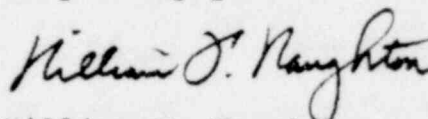

June 18, 1979

were given to Ms. S. Curtis of Argonne National Laboratory on May 2, 1979 during the Carroll County Site visit. Savanna Pioneers by Dr. R. D. Bourland and Carroll County - A Goodly Heritage by E. G. Thiem may be obtained locally in the Carroll County area.

The remainder of Question 301.38 will be answered with Commonwealth Edison's responses to the aforementioned Enclosure 2 questions of Reference (a) and by an updated text portion of the Carroll County Station - Site Suitability - Environmental Report.

Please address any additional questions that you might have to this office.

Very truly yours,

William F. Naughton
Nuclear Licensing Administrator
Pressurized Water Reactors
