Reference: Docket No. 50-285

Gentlemen:

The Omaha Public Power District received a letter from the Commission, dated May 11, 1979, requesting that additional information be provided in support of the Fort Calhoun Station security contingency plans. Accordingly, the requested information is attached, along with revised pages to Chapter 8 of the Fort Calhoun Site Security Plan. The revisions, submitted in accordance with 10 CFR 50.54(P), do not decrease the effectiveness of the security plan.

The information contained herein is deemed to be "commercial or financial information" within the meaning of 10 CFR § 9.5(a)(4), as specified in 10 CFR § 2.790(d)(1). Accordingly, the District requests that it be withheld from disclosure in its entirety pursuant to the provisions of that section.

Sincerely,

T. E. Short
