Gentlemen:

Thank you for your letter dated July 8, 1980, informing us of the steps you have taken to correct the noncompliance identified in our letter dated June 19, 1980. We will examine your corrective action during a future inspection.

In regard to Ms. Krause's inquiry regarding individuals who may be reticent in releasing their social security number for personnel monitoring reports; as long as you have access to their numbers in the event of an actual or suspected overexposure, the intent of 10 CFR 20.401(a) is fulfilled. For all other individuals, the information required by Form NRC-5 should be maintained.

Your cooperation with us is appreciated.

Sincerely,

A. B. Davis, Chief
Fuel Facility and
Materials Safety Branch
