Materials Radiological Protection Section,  
Fuel Facilities and Materials Safety Branch  
Region I, U.S. Nuclear Regulatory Commission  
631 Park Avenue  
King of Prussia, PA 19406

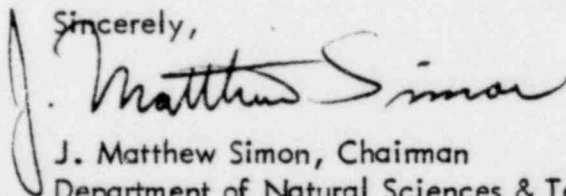

Dear Mr. McClintock:

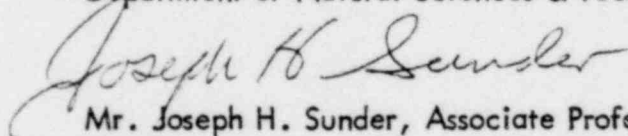

The material referred to in your communication (Docket No. 030-10668) has been deeded over to the Board of Trustees of the Community College of Allegheny County (CCAC), who have accepted it for the Allegheny Campus. Dr. Martin Volkar, serving as Radiation Officer for the Allegheny Campus-CCAC, is awaiting final reply on the possession license. Their application (control number 00084) is being reviewed by Mr. James A. Jones, Material Licensing Branch, Division of Fuel Cycle and Material Safety.

I have been informed that Dr. Martin Volkar has contacted you (11/6/79) regarding the detail of the lawful transference of this material as indicated in item #1 in your communication to Mr. Joseph Sunder.

Since no activities involving the material have been conducted since 1971, no reports (as referred to under item #2 of your communication to Mr. Sunder) would be needed.

Sincerely,

  
J. Matthew Simon, Chairman  
Department of Natural Sciences & Technology

  
Mr. Joseph H. Sunder, Associate Professor  
Department of Natural Sciences & Technology
