MEMORANDUM FOR LT JEFFREY DIVIS, MSC, USN, RADIATION SAFETY OFFICER,
HEALTH PHYSICS DEPARTMENT, AFRRI

SUBJECT: Committee Appointment for Radiation Safety Committee

By this memorandum you are appointed as a member of the Radiation Safety Committee effective until September 30, 2022. As a full-time member of the AFRRI staff, I recognize and acknowledge that your individual work is vital to the University. There is also a need for solid committee work by engaged faculty and staff. I have great confidence that you will bring value to this committee's deliberations and wish to sincerely thank you for your contribution to the welfare of the University community.

Your willingness to serve stands as a positive indication of your dedication to the University and its goals.

Richard W. Thomas, MD, DDS, FACS
President

21 August 2019

MEMORANDUM FOR Dr. Richard W. Thomas, MD, DDS, President, USU

SUBJECT: Radiation Safety Committee Appointment Nomination

Through: John Gilstad, MD  Concur/Do Not Concur
CAPT, MC, USN, Institute Director, AFRRI Date

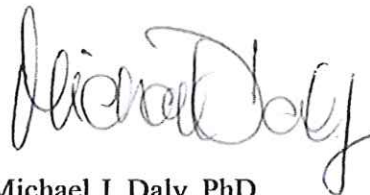

Dear Dr. Thomas,

Since 2005 members of the AFRRI professional staff have served on the University Radiation Safety Committee (RSC). Since 2008 the AFRRI representative on the RSC has been the AFRRI Radiation Safety Officer (RSO). The RSC believes the practice of appointing the AFRRI RSO as a member of the RSC is in the best interest of the University and should be continued.

As RSC Chairman, in accordance with a unanimous vote of the RSC, I am submitting for your consideration the name of LT Jeffrey Divis, MSC, USN, Radiation Safety Officer, Health Physics Department, AFRRI, for appointment to a 3-year term on the RSC effective 01 September 2019 through 31 August 2022.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Michael J. Daly, PhD
Professor, Pathology
Chairman, Radiation Safety Committee
