Environmental and Scientific Affairs
U.S. Department of State
Washington, D.C. 20520

Dear Mr. Cooper:

Enclosed please find an application from Unipax International
for a license to export source material to South Korea.

Before taking action on this license application, we would appreciate
your views, in accordance with established procedures and from the
overall perspective of the Executive Branch, as to whether the issuance
of the requested license would be inimical to the interests of the
United States, including the common defense and security, and whether
the proposed export meets the applicable criteria in the Atomic Energy
Act as amended by the Nuclear Nonproliferation Act of 1978.

Sincerely,

Original signed by
