MEMORANDUM FOR: Ross A. Scarano, Section Leader
Uranium Mill Licensing Section
Division of Fuel Cycle and Material Safety

FROM: R. Cooperstein
Uranium Fuel Fabrication Section

SUBJECT: INFORMATIONAL MEETING BETWEEN NRC AND ROCKY MOUNTAIN
ENERGY COMPANY, NINE MILE LAKE SITE, NATRONA COUNTY,
WYOMING

Purpose: To discuss RMEC's planned activities and NRC's intentions for the applicant's commercial-scale uranium solution extraction proposal and environmental report.

Place and Date: NRC offices in Silver Spring, Maryland, March 20, 1979.
This meeting was requested by Mr. A. D. Luck via telephone conversation with R. Cooperstein on February 26, 1979.

<u>Attendees:</u>	<u>NRC (FCPF)</u>	<u>RMEC</u>
	R. Cooperstein	A. D. Luck
	R. A. Scarano	A. V. Mitterer
		J. W. Shaw

Discussion: The items covered during the discussions are outlined as follows:

1. RMEC Development Schedule
2. Status and Review of Nine Mile Lake Production Application
3. NRC Consultants
4. NRC Review Schedule
5. RMEC/NRC/Consultant Contacts
6. RMEC Supplemental Data
7. NRC Organization

The NRC has received the subject application and environmental report. It is undergoing review in-house and will be submitted to an ORNL technical assistance team for concurrent review which will result in the formulation of a license processing schedule during April 1979. It is anticipated that the project will be completed within 15 months.
