Metropolitan Edison Company
Attention: Mr. J. G. Miller,
Vice President
P.O. Box 542
Reading, Pennsylvania

Gentlemen:

Under the Freedom of Information Act, the AEC has been requested to disclose the documents prepared by the Regulatory Operations personnel related to the Three Mile Island Unit No. 1. Prior to disclosing the documents, certain information exempt from disclosure pursuant to Section 2.790 of 10 CFR Part 2, "Rules of Practice," will be deleted.

Enclosed are copies of Regulatory Operations documents pertaining to the Three Mile Island Unit No. 1 that are to be disclosed. It is requested that Metropolitan Edison Company review these documents and identify specifically any proprietary information contained therein which should not be disclosed. Blanket requests covering entire reports will not be entertained. In each case, you should provide a full statement of the reasons which justify the claim that particular information is proprietary.

Please complete your review as promptly as possible and return the reports to this office with a letter identifying any proprietary information. Your letter of response will be placed in the Public Document Room, so the letter itself should only identify proprietary information and not contain "any such information".

Should you have any questions concerning this matter, please let me know.

Sincerely,

James P. O'Reilly
Director
