THREE MILE ISLAND 1 AND 2 - AVAILABILITY OF DRAFT ENVIRONMENT STATEMENT

The draft environmental statement for Metropolitan Edison Company's Three Mile Island 1 and 2 has been prepared by this Directorate and will be available on June 19, 1972. It is understood that your office will prepare a Federal Register notice and will take the following action:

1. Send copies of the Federal Register notice and the draft environmental statement to the applicant, the Public Document Room, the Local Public Document Room, and appropriate State, regional, and metropolitan clearinghouses.
