

OCT 24 1979

The Honorable Harrison A. Williams  
United States Senate  
Washington, D. C. 20510

Dear Senator Williams:

The Nuclear Regulatory Commission was an original recipient of a certified copy of a resolution adopted by the board of Chosen Freeholders of the County of Ocean, New Jersey, dated August 21, 1979, and has replied directly to the board. The resolution called for Congressional action to establish an independent agency responsible for the continuous radiological monitoring of the Oyster Creek Nuclear Generating Station. A copy of the NRC's response to the resolution is enclosed for your use in accordance with your request dated September 4, 1979.

Sincerely,

L. V. Gossick  
Executive Director for Operations

Enclosures:

1. Letter dated September 4, 1979, from Senator Williams to the Nuclear Regulatory Commission
2. Letter dated October 17, 1979, from Harold R. Denton, Director, Office of Nuclear Reactor Regulation, to board of Chosen Freeholders, County of Ocean, New Jersey

SEE ATTACHED YELLOW CONCURRENCE SHEET FOR PREVIOUS CONCURRENCES\*.

The Nuclear Regulatory Commission understands the responsibility of the Ocean County Board of Chosen Freeholders to protect the citizens of Ocean County, and this letter is intended to assure the Board that the NRC is actively committed to aid in that protection as it relates to the operation of nuclear facilities in your area. Further inquiries by the Board regarding the content of this reply are invited. The sources of information referred to are available for inspection in the Public Documents Room, Ocean County Library, 15 Hooper Avenue, Toms River, New Jersey, 08753.

Sincerely,
