Subject: License No. XR-104, Leibstadt, Switzerland

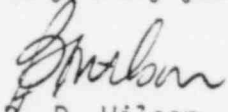

Dear Ms. Wright:

By letters dated October 19, 1978 and January 3, 1979, General Electric requested amendments of the subject license.

Both requests were for additional intermediate consignees.

General Electric hereby withdraws both applications -- the objectives having been served by the issuance of NRC license XCOM 147 and XCOM 168 to GE and Byron Jackson respectively.

Very truly yours,

  
B. D. Wilson, Manager
