Re: Brush-Wellman Beryllium  
Plant in Utah - For  
Information Only

Dear Dr. Cooperstein:

In response to your telephone call of April 12, 1979, we reviewed the Utah Division of Health contacts with the Brush-Wellman Plant.

We have never documented a violation of health standards at the Plant and have found the Plant personnel cordial and easy to deal with.

Sincerely,

*Larry F. Anderson*
