Kim,

In reviewing your request to add an Authorized User I identified that there was not an included NRC Form 313. In order to process the request please send a completed form for the appropriate uses. Below is a website that has all the NRC Form 313s for your use.

https://www.reginfo.gov/public/do/PRAViewIC?ref_nbr=201407-3150-006&icID=33369

If you have any questions please contact me at your convenience.

Respectfully,

Daniel C. Strohmeyer, CHP
