

NRC PUBLIC DOCUMENT ROOM

PETITION FOR CO-INTERVENTION

The Palo Verde Nuclear Intervenors

A. The Palo Verde Nuclear Intervenors are a group of Arizona citizens in organization who are concerned with the construction of the Palo Verde Nuclear Generating Station, Units 4 and 5.

The Palo Verde Nuclear Intervenors are concerned with the potential economic, environmental, health and safety problems associated with the construction of the Palo Verde nuclear site. At least two of the members of the Palo Verde Nuclear Intervenors are residents of the Phoenix Metropolitan Area.

B. Interests to be affected.

All of the citizens, including S. P. Fullinwider and Louis Rhodes, of the Palo Verde Nuclear Intervenors are concerned with the construction of the Palo Verde Nuclear Generating Station, Units 4 and 5 because of the risk to their personal safety and welfare in case of any accidents related to the Palo Verde Nuclear Generating site.

C. Contentions of intervention.

The Palo Verde Nuclear Intervenors agree with the contentions listed in the Second Amendment of leave to intervene of Larry Bard as filed on the 11th of September, 1978.
