Gentlemen:

Thank you for your letter dated January 26, 1979, in response to our letter dated September 25, 1978, providing us a copy of the written reply you received from the ASME.

We have reviewed the ASME response to your inquiry resulting from Item A.3 in our letter dated August 7, 1978, and conclude the matter does not appear to involve noncompliance. We will revise our records accordingly. It is our understanding that you will revise the applicable site procedures to reflect this ASME interpretation.

Your cooperation with us is appreciated.

Sincerely,

Gaston Fiorelli, Chief
Reactor Construction and
Engineering Support Branch
