

SECRETARY

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555-0001

October 9, 2019

MEMORANDUM TO: Margaret M. Doane  
Executive Director for Operations

FROM: Annette L. Vietti-Cook, Secretary 

SUBJECT: STAFF REQUIREMENTS – SECY-19-0046 – OPTIONS FOR A  
LONG-TERM ALTERNATIVE TO THE NUCLEAR ENERGY  
INSTITUTE COMPOSITE ADVERSARY FORCE

The Commission has approved the staff's recommended Option 1, to use one or more industry-managed Mock Adversary Force's (MAFs) and allow the industry to implement and manage the MAFs for use during NRC-conducted force-on-force exercises. The staff should use a level of oversight comparable to that used to assess the Joint Composite Adversary Force (JCAF) when assessing any additional newly-proposed MAFs to ensure that these proposals represent an acceptable alternative to existing MAFs.
