Mr. D. B. Vassallo  
Assistant Director for LWR  
Division of Project Management  
Office of Nuclear Reactor Regulation  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

THIS DOCUMENT CONTAINS  
POOR QUALITY PAGES

Dear Mr. Vassallo:

Enclosed are 35 copies of non-proprietary Topical Report BAW-10085, Revision 3, "Reactor Protection System."

The information contained in this revision is being submitted to assist in a timely review of RPS-II. It includes the non-proprietary portions of information submitted in Revisions 4.5 and 6 to BAW-10085P, the proprietary version.

If you have any questions on the material in this topical report, please contact Mr. G. C. Schieck of my staff.

Very truly yours,

  
James H. Taylor  
Manager, Licensing
