Mr. Alan Rowenthal, Esq., Chairman
Atomic Safety and Licensing Appeal Board
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Rowenthal,

As one who has followed David North Anna
since the past several years, I urge you not
to increase the allowable settlement of the pump
more or any other plant facilities. I urge you
to allow an increase in settlement damage to
the ability of the NRC in the eyes of the public
to have acted honestly and responsibly
many times before recent withholding of settlement
information from you. Settlement is a
simple thing to play in the court of public
opinion. To my knowledge, you have
never operating under
I don't know if you have...
