Dear Sir:

Subject:

Temporary Changes to the Vermont Yankee Modified Amended

Security Plan

This letter forwards several temporary changes to the Vermont Yankee Modified Amended Security Plan (MASP). The attached changes will remain in effect until the installations are completed. In some cases, the temporary changes will require compensatory action to assure that the necessary level of security is maintained. Where compensatory actions are necessary, they are described in the discussion/compensatory action section.

We trust you will find these temporary changes satisfactory. If there are any questions, please contact us.

Very truly yours,

VERMONT YANKEE NUCLEAR POWER CORPORATION
