Mr. Harold R. Denton, Director
U. S. Nuclear Regulatory Commission
Office of Nuclear Reactor Regulation
Washington, D. C. 20555

Dear Mr. Denton:

SUBJECT: Grand Gulf Nuclear Station
Units 1 and 2
Docket Nos.: 50-416 and 50-417
File 0260/L-860.0/15531
Anti-Trust Information
AECM-79/12

Pursuant to your letter of May 3, 1978, Mississippi Power & Light Company for itself and on behalf of Middle South Energy, Inc., herewith files an amendment to the Application for Licenses providing the information identified in Regulatory Guide 9.3, "Information Needed by the NRC Staff in Connection With Its Antitrust Review of Operating License Applications for Nuclear Power Plants." Additionally, this amendment includes responses to the questions about Mississippi Power & Light Company's dealings with the City of Clarksdale asked by the Nuclear Regulatory Commission in its letter of January 10, 1979 from Mr. Argil Toalston. We are forwarding, eighteen (18) copies of "Anti-Trust Review Information" with three (3) sets being originals, the remainder being copies thereof.

Please address all correspondence on this matter as indicated in the "Communications" section of the "Amendment to Applications for Licenses" as previously submitted. There will be no additional distribution of copies at this time. In the event you wish additional copies mailed, we will do so upon receiving a mailing list from you.

Sincerely,

Norris L. Stampley
