Dear Mr. Hudgins:

In reply to your letter addressed to Mr. Goodwin dated May 8, 1978, regarding application S-970 (XSNM-1292), I would like to confirm:

- a) that the transfer of the material identified on said licence application, namely 279 Kg U-235 contained in 299 Kg U (as U metal), will be subject to the terms and conditions of the Agreement for Cooperation Concerning Civil Uses of Atomic Energy between the Government of the United States and the Government of Canada as amended;
- b) that the ultimate consignee, Atomic Energy of Canada Ltd. is authorized to receive and possess the material;
- c) that physical security measures will be maintained with respect to the material so as to provide, at a minimum, the level of protection comparable to that set forth in INFCIRC/225/Revision 1.

Yours sincerely,

R. Keefe
