OFFICE OF THE  
COMMISSIONER

Mr. Troy E. Wade  
Assistant Manager for Operations  
Nevada Operations Office  
U.S. Department of Energy  
Post Office Box 14100  
Las Vegas, Nevada 89114

Dear Troy:

I wanted to thank you for all your extra efforts on my behalf during our visit to Nevada Operations and NTS. The day spent at the Test Site was most valuable, particularly because of the very thorough briefings we had received the day before. I hope it will not be too long before I can return to see the progress you've made in your waste management projects.

I am sorry we missed you on your trip to Washington, but I have some idea of the constraints you were under. I hope the next time you and Ink are out here, you will let us return your kind hospitality. With warm regards,

Sincerely,
