IN RESPONSE REFER
TO FOIA-79-86

Dear Ms. Weiss:

In my letter of May 4, 1979, responding to your Freedom of Information Act request of March 19 concerning seismic issues, I indicated that one document was still undergoing review. This review has now been completed, and the document, "Systematic Evaluation of Operating Reactors - Phases I and II" (SECY-77-561), is being made available. A copy will be placed in the NRC Public Document Room, 1717 H Street, N.W., Washington, DC with the other records released in response to your request.

This completes NRC action on this request.

Sincerely,

J. M. Felton, Director
Division of Rules & Records
Office of Administration
