POOR ORIGINAL

Dear Sir:

In accordance with requirements specified in the Technical Specifications of the Oregon State University TRIGA Mark II reactor (Docket No. 50-243, License No. R-106), we are submitting to you five copies of the "Oregon State University TRIGA Reactor Annual Report" for the reporting period of July 1, 1978 through June 30, 1979. In addition, we are also sending five copies to the Director of the Office of Inspection and Enforcement in Washington, D.C.

Please note that this report contains information as required by the Nuclear Regulatory Commission, the U.S. Department of Energy, and the Oregon Department of Energy. If there is any additional information that you may desire, we will be most happy to provide it.

Thank you for your attention in this matter.

Sincerely yours,
