Re: Kerr-McGee Chemical Corporation

Dear Mr. Nixon:

We are in receipt of a copy of the letter sent to Mr. Denny, Project Manager, Kerr-McGee Center of this past November with the enclosed comments prepared by various organizations for the stabilization plan of the West Chicago site.

The purpose of this letter is to request that you include our expert on the distribution list. His address is as follows:

Dr. Eli A. Port  
Radiation Safety Services, Inc.  
827 Simpson Street  
Evanston, Illinois 60201

Mr. Port will be providing the City of West Chicago with technical assistance in evaluating the decommissioning process and we would much appreciate your including his name on the distribution list so that he can keep current with the comments and activities of the various agencies and organizations that are involved in this matter.

Sincerely,

*William L. Guild*
