James G. Keppier, Director  
U.S. Nuclear Regulatory Commission  
Region III  
799 Roosevelt Road  
Glen Ellyn, Illinois 60137

Dear Dr. Keppler:

This is in response to your letter referring to I E Bulletin No. 79-19 and the action therein specified as required of licenses.

Viterbo College, holder of NRC license No. 48-08479-01, has not generated or shipped low-level radioactive wastes. Furthermore, we do not intend to generate or ship such low-level radioactive wastes.

Sincerely,

Joseph A. Kawatski, Ph.D.  
Radiation Protection Officer
