RE: First set of NRC Staff Interrogatories
to Intervenors

Dear Ms. Schwartz:

On behalf of People Against Nuclear Energy (PANE), I acknowledge receipt of the First Set of NRC Staff Interrogatories to Intervenors. Although the first footnote appears to request a response from PANE, the subsequent interrogatories refer only to "admitted issues." Since the admissibility of PANE's psychological distress contentions awaits decision by both the Licensing Board and the Commission, PANE has no contentions that fall within the scope of your request. Accordingly, PANE has no further response to your interrogatories at this time.

Sincerely,

A handwritten signature in cursive script, appearing to read "William S. Jordan, III".
