Anticipatory Reactor Trip on  
Loss of Feedwater and Turbine Trip  
(File: 1510.1)

Gentlemen:

Pursuant to the request of your letter dated December 20, 1979, Arkansas Power and Light Company wishes to inform the Staff that our responses to information requested as it pertains to the safety - grade anticipatory reactor trip design will be provided as soon as the detailed information becomes available. We expect a complete response to be available by May 1, 1980.

Very truly yours,

*David C. Trimble*
