Dear Sir:

Enclosed are ten copies of Revision 6 to the Physical Protection Plan for the West Valley Facility. We expect that upon completion of the Commission's review of the Plan revision, a fee will be assessed in accordance with facility Category F (special project and reviews) and Footnote 4 of §170.21.

Since a disclosure of the information contained in the enclosure to this letter would tend to weaken the safeguards and security measures and is deemed commercial and financial proprietary information within the intent of 10 CFR 9.5(a)(4), it should be withheld from public disclosure under the provisions of 10 CFR 2.790(d).

Very truly yours,

James R. Clark
