

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

February 20, 1980

Docket No. 50-331

Mr. Duane Arnold, President
Iowa Electric Light & Power Company
P. O. Box 351
Cedar Rapids, Iowa 52406

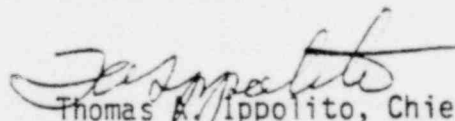

Dear Mr. Arnold:

By letter dated March 19, 1979, you submitted Chapter 8 of the Duane Arnold Energy Center (DAEC) Modified Amended Security Plan, which comprised the DAEC safeguards contingency plan. Our initial review of the DAEC plan found that it did not contain sufficient detail to fulfill the requirements of 10 CFR 73.40(b). By letter dated July 20, 1979, we informed you of this finding and forwarded a copy of Acceptance Criteria for Nuclear Power Plant Safeguards Contingency Plans - Review Guideline #24 for your guidance in modifying the DAEC plan. You have not supplemented your March 19, 1979 submittal.

We have continued our review of the DAEC plan and identified the need for revisions and additional information. Our comments are identified in the enclosure. Please provide your response within 60 days of receipt of this letter.

The enclosure contains information of a type specified in 10 CFR 2.790(d) and should be withheld from public disclosure.

Sincerely,

Thomas A. Ippolito, Chief
Operating Reactors Branch #3
Division of Operating Reactors
