Dear Mr. President:

I urge you to instruct ~~the~~ Nuclear Regulatory Commission to allow the North Anna 2 nuclear plant owned by Virginia Electric and Power Company to be operated. Failure of the NRC to license this North Anna 2 facility has increased my electrical bill by 15%. Also, failure to use the facility forces Veeco to burn fuel oil and at this time we must conserve fuel oil.

Again I urge you to order the NRC to approve the operation of North Anna 2 in the Commonwealth of Virginia.

Sincerely,

Jack G. Owens
