 Docket No. 50-265

Commonwealth Edison Company
 ATTN: Mr. Cordell Reed
 Vice President
 Post Office Box 767
 Chicago, IL 60690

Gentlemen:

This refers to the inspection conducted by Messrs. N. J. Chrissotimos and S. G. DuPont of this office on September 1 through October 17, 1980, of activities at the Quad-Cities Nuclear Power Station Units 1 and 2 authorized by NRC Operating Licenses No. DPR-29 and No. DPR-30 and to the discussion of our findings with Mr. N. J. Kalivianakis at the conclusion of the inspection.

The enclosed copy of our inspection report identifies areas examined during the inspection. Within these areas, the inspection consisted of a selective examination of procedures and representative records, observations, and interviews with personnel.

During this inspection, certain of your activities appeared to be in non-compliance with NRC requirements, as described in the enclosed Appendix A. With respect to Appendix A we noted that you have corrected Items No. 2 and 3. Consequently, no reply to these items of noncompliance is required and we have no further questions regarding them at this time.

This notice is sent to you pursuant to the provisions of Section 2.201 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations. Section 2.201 requires you to submit to this office within twenty days of your receipt of this notice a written statement or explanation in reply, including for each item of noncompliance: (1) corrective action taken and the results achieved; (2) corrective action to be taken to avoid further noncompliance; and (3) the date when full compliance will be achieved.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter, the

enclosures, and your response to this letter will be placed in the NRC's Public Document Room, except as follows. If the enclosures contain information that you or your contractors believe to be proprietary, you must apply in writing to this office, within twenty days of your receipt of this letter, to withhold such information from public disclosure. The application must include a full statement of the reasons for which the information is considered proprietary, and should be prepared so that proprietary information identified in the application is contained in an enclosure to the application.

We will gladly discuss any questions you have concerning this inspection.

Sincerely,

R. F. Heishman, Chief
Reactor Operations and
Nuclear Support Branch
