These represent all of the comment letters received by this office through April 6, 1979, but others are expected to follow. As you will note, no responses appear to be needed for most of these comments. However, you are requested to prepare appropriate replies to each of the issues calling for a response in comment letters 3, 7 and 11. Your responses should contain sufficient detail to permit direct inclusion in the FES. The responses should be mailed in time to reach this office by April 25 with copies sent to Dr. M. J. Kelly, at C

The April 4, 1979 Woodward-Clyde comments on the DES have been received and, where applicable, these will be factored into the FES.

Sincerely,

J. E. Rothfleisch
