DOCKET NUMBER
PROD. & UTIL. FAC. 50-329330 04

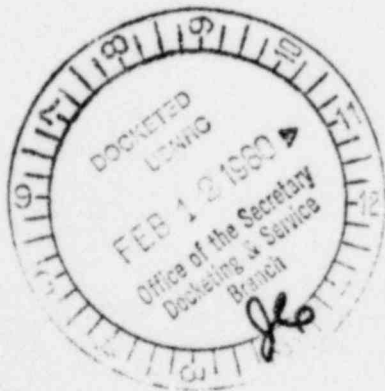

Dear Chairman Ahearn,

I understand that Consumers Power Co. of Michigan has requested a public hearing concerning soil settlement problems at its Midland plant.

I am writing to urge you and the NRC members to have this hearing here at Midland, Michigan so that concerned members of the public like myself can attend.

Thank You,
Sincerely,

Barbara Stamiris
