OFFICE OF THE
CHAIRMAN

JAN 18 1980

The Honorable Thomas P. O'Neill, Jr.
Speaker of the United States
House of Representatives
Washington, D.C. 20515

Dear Mr. Speaker:

It is our pleasure to transmit to the House of Representatives the enclosed interim report, "Report to the Congress of the United States: The Feasibility of Conducting Epidemiologic Research on the Health Effects of Low-Level Ionizing Radiation." The preparation and submittal of this report was directed by the Congress in Sec. 5(d) of Public Law 95-601.

The report represents a joint effort by the Environmental Protection Agency and the Nuclear Regulatory Commission in consultation with the Secretary of Health, Education and Welfare.

Sincerely,

John F. Ahearne
Chairman

Douglas M. Costle
Administrator
Environmental Protection Agency
