Mr. Marvin R. Peterson, Acting Assistant Director
Export/Import and International Safeguards
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Subject: Import License ISNM 79005

Dear Mr. Peterson:

In the course of importing special nuclear material in accordance with the subject import license, a portion of the material is being temporarily stored in Almelo, Holland. The origin and final destination of the material remains unchanged and only the routing and timing of the shipments is affected.

Unless otherwise informed by your office, we will assume that this is in accordance with the intent of the currently valid license.

If you have any questions please feel free to contact me at (509) 375-7298.

Sincerely,

L. E. Hansen, Senior Specialist
Criticality Safety and Physical Security
