To the FOIA Officer at U.S. Nuclear Regulatory Commission:

I am writing to request the following document:

A copy of the 1981 study by Bechtel Group's Human Interference Task Force conducted under the auspices of the National Waste Terminal Storage Program for submission to the U.S. Nuclear Regulatory Commission via the Department of Energy; authored by Thomas Sebeok.

I was provided this email address by the FOIA Officer at the Nuclear Waste Technical Review Board, to whom I had mistakenly addressed this request. Please let me know if you require any additional information.

Thank you for your assistance.

Best regards,
Allyson Vieira
