APPLICANT'S REQUEST FOR EXTENSION OF  
 TIME TO RESPOND TO COMMUNICATION  
 FROM WELLS EDDLEMAN AND KUDZU ALLIANCE  
 DATED NOVEMBER 29, 1978

On December 19, 1978, Applicant's counsel received from the Nuclear Regulatory Commission a copy of a communication from Wells Eddleman and the Kudzu Alliance to the Atomic Safety and Licensing Board dated November 29, 1978, (but not docketed by the Docketing and Service Section until December 15, 1978) in support of their petition to intervene in this proceeding. Applicant's counsel had no previous notice of the filing of this communication and was unaware of its existence at the time Applicant's counsel filed on December 18, 1978, a response to the initial petition to intervene dated November 7, 1978, as amended by letter dated November 27, 1978.

Treating the November 29, 1978, communication as a further amendment to the petition to intervene, and taking into account both the late date on which Applicant's counsel

received the communication and the schedule disruptions normally associated with the Christmas and New Year holidays, Applicant requests that the time for response to the November 29, 1978, communication be extended to January 5, 1979.

Respectfully submitted,

SHAW, PITTMAN, POTTS & TROWBRIDGE
