Dear Senator:

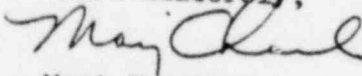

I would like to thank you for signing on as a cosponsor of the Tsongas/Roth bill to protect Alaska lands.

I would also like to take this opportunity to express my support of your "no" vote on the Windfall Profits Tax. I urge you to continue to fight for a stronger bill in the conference committee.

At the same time, I would like to know if there is anything you can do to help our fight to keep the Point Beach Nuclear Power Plant closed until needed repairs are done. The operation of the crippled plant jeopardizes the safety of Eastern Wisconsin residents at a time when a 50 percent excess in generating capacity exists in the area.

Thank you for being the kind of senator Wisconsin needs.

Yours sincerely,

Marj Charlier
