MEMORANDUM

TO: Ed Francis, District III Engineer

FROM: Walter C. Ackerman, Land Quality Administrator *W.C.A.*

DATE: January 24, 1980

SUBJECT: Department of Environmental Quality participation on Nuclear Regulatory Commission Scoping Meeting for Federal American Partners Gas Hills Mill license renewal.

Ed, NRC has requested that a representative from this office participate on a scoping meeting panel for the Federal American Partners license renewal. The meeting will be held in Riverton, February 13, 1980, at the Elks Lodge (7:00 p.m.). Will you please plan on participating so that someone from this agency will be available to relate the role of the state with respect to the milling, tailings disposal and mining operation and also respond to questions where appropriate.
