Docket No. 50-334

Duquesne Light Company  
ATTN: Mr. C. N. Dunn  
Vice President  
Operations Division  
435 Sixth Avenue  
Pittsburgh, Pennsylvania 15219

Gentlemen:

Subject: Enforcement Conference No. 50-334/79-21

This refers to the management meeting conducted by myself and other members of the Region I staff at our office in King of Prussia, Pennsylvania, on September 25, 1979 and to the discussions regarding the implementation of your design control program, the effectiveness of your management controls and the facility's recent enforcement history held by our staff with yourself, Mr. E. Woolever, and members of your respective staffs.

The matters discussed during this meeting are described in the Office of Inspection and Enforcement Inspection Report which is enclosed with this letter. In regard to those matters, you are requested to provide this office within 30 days with your written comments and commitments addressing the following:

Actions planned or taken to place additional management emphasis and direction on identified problems and issues, problem escalation, and identification of internal responsibilities for action;

Actions planned or taken to ensure the completeness and quality of submittals made to the NRC;

Actions planned or taken to enhance the administration of commitments associated with license activities to assure successful implementation;

Actions taken or planned to review the progress and effectiveness of the various programs required by the facility license and to assure that license conditions are being met; and,

Actions taken or planned to assure that administrative controls are properly implemented and adhered to, including those actions taken or planned to review and enhance the resolution of NRC inspection findings.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you (or your contractor) believe to be proprietary, it is necessary that you make a written application within 20 days to this office to withhold such information from public disclosure. Any such application must be accompanied by an affidavit executed by the owner of the information, which identifies the document or part sought to be withheld, and which contains a statement of reasons which addresses with specificity the items which will be considered by the Commission as listed in subparagraph (b)(4) of Section 2.790. The information sought to be withheld shall be incorporated as far as possible into a separate part of the affidavit. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.

Should you have any questions concerning this inspection, we will be pleased to discuss them with you.

Sincerely,

Boyce H. Grier  
Director
