Dear Bill:

The enclosed Notice of Deposition for Mr. David Springs is being issued as agreed in our telephone conversation last week. We understand that you no longer plan to call Mr. Franklin Rogers as a witness and that Mr. Robert Gross is now listed as a potential witness due to his involvement in settlement negotiations with Texas Utilities. However, if Tex-La should later decide to make Mr. Gross a witness, we understand that you will advise us of this change and make him available for deposition at that time.

Sincerely yours,

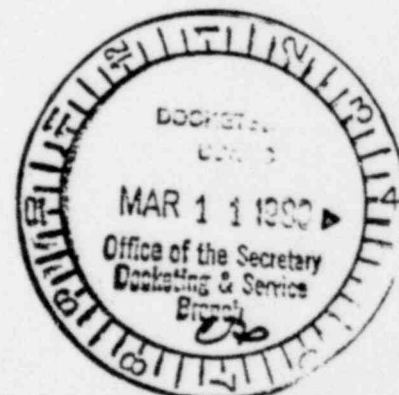

C. Dennis Ahearn
