

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

Docket No. 50-409

MAR 28 1980

The Honorable Gaylord Nelson
United States Senate
Washington, D.C. 20510

Dear Senator Nelson:

This is in response to letter dated February 8, 1980 from Mr. Jeffrey Nedelman of your staff, which enclosed a letter dated January 26, 1980 from Mr. Paul Prevenas to you. I am enclosing a copy of our letter to Mr. Prevenas which responds to a letter dated January 26, 1980 from Mr. Prevenas to Mr. Harold Denton, Director of Nuclear Reactor Regulation, relating to his concerns about Dairyland Power Cooperative's La Crosse Boiling Water Reactor.

It is hoped that the enclosed letter is responsive to your constituent. Also, we are enclosing Mr. Nedelman's correspondence as requested.

Sincerely,

(Signed) E. Kevin Cornell

William J. Dircks
Acting Executive Director
for Operations

Enclosures:

1. Letter to Mr. Paul Prenevas
2. Mr. Nedelman's correspondence
